

SurePoint Ag Systems

Parts Stocking Program

October 1, 2026 – January 31, 2027

SurePoint™ encourages Authorized Dealers to deliver exceptional service to their customers by keeping essential replacement parts in stock. SurePoint supports that effort by offering a discount to dealers who place stocking orders between October 1, 2026 and January 31, 2027.

Eligible Orders:

Parts stocking orders of \$5,000 or more retail price before discounts for Authorized Dealers only.
Complete systems and other whole goods are not eligible for discount.

Ordering Period	Discount	Shipping Period	Payment Due
October 1, 2026 – January 31, 2027	5% <i>*Free shipping on qualifying orders.</i>	Upon Receipt <i>Subject to availability & standard shipping terms</i>	Net 60

Late Payment:

Invoices not paid within 60 days, or by invoice due date, will forfeit all program discounts and be subject to late payment interest charges. For payment via check, envelope must be postmarked on or before invoice due date. For payment via ACH or Wire Transfer, funds transfer must be complete on or before invoice due date.

No Restocking Fee Within 12 Months:

Dealers will not be subject to restocking fees on stock parts if returned to SurePoint Ag Systems within 12 months of order date.

Parts Stocking Agreement:

Dealers will be provided with the Parts Stocking Program Agreement Terms with their quote. By placing an order, the dealer thereby agrees to the terms and conditions of the program.

Order Placement:

Dealers are encouraged to place orders through the SurePoint WebStore (store.surepointag.com). For assistance with WebStore access or parts stocking questions, contact your SurePoint representative, call 866-626-3670, or email sales@surepointag.com.
